神和人的治理最不同的是,

The difference between the governance of God and man is that, 神是 enable 我們, 是給我們, 讓我們能夠擁有, 教導我們如何使用.

God enables us to have something and teaches us how to use it.

人是拿掉我們自由思想, 自由作決定的能力, 從我們擁有的拿走, 幫我們做決定, 幫我們使用.

Man takes away our ability of thinking and making decisions. It is about taking away what we have, and then decide for us how to live.

神是讓我們能夠像祂, 做祂的兒女, 享受祂的榮耀. 所以在日常的經濟活動當中, 祂就是這樣子的設計.

God wants us to be like Him, be His children, and enjoy His glory. So in our daily economic activities, He designed it like this.

人是要讓我們成為奴隸, 他要做我們的奴主, 他要自己享受最大的榮耀, 我們在他們的眼中只是韭菜.

Man wants to make us slaves. He wants to be our slave master and enjoys the greatest glory for himself. We are just deplorables in their eyes.
